

CmpE 207 Lab Assignment #4 Due: May 9, 2017

Topic: RPC and RPCGEN

Read Chapters 20 through 23 of the textbook (Comer).

1. Write a complete **connection-oriented** client – server program using RPC that performs the file server functionality using different file sizes: 800 and 1600 bytes.
2. Repeat step 1 for **connectionless** client-server RPC program.
